

REMARKS/ARGUMENTS

Favorable consideration of this application, as presently amended, is respectfully requested.

By the present Preliminary Amendment an Abstract is submitted.

Claims 1-25 entered from the Article 34 amendments are also canceled by the present response without prejudice and new claims 26-50 are presented for examination. New claims 26-50 are deemed to be self-evident from the original disclosure, including the original claims, and thus are not deemed to raise any issues of new matter. Further, new claims 26-50 are not believed to be more narrow in scope in any aspect in comparison with canceled claims 1-25.

The present application is believed to be in condition for a full and thorough examination on the merits. An early and favorable consideration of the present application is hereby respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
